SOCIAL
EVENTS

The pupils of Miss Johnson's School of Phonography are in the habit of changing their "character" lessons from sound to sense, the metamorphosis being accomplished through the tense "to scratch, to scrawl, to master," the latter being the verb denoting proficiency in the art and in the departure, thus revealing the domestic side of the pupils. Yesterday at noon about twenty ladies and gentlemen assembled at that hour to partake of a delicious lunch. The room was darkened, and lighted lamps gave the glow which made the scene not only beautiful, but thus fashioned made a background for wits and repartee fairly sparkling and dazzling. Miss Johnson presided, and her aids were gracious maidens whose every act is one of grace, whose very presence gives delight. Their affairs are very exclusive and never widen in their hospitality, save to honor some ex-graduate or prospective pupil or distinguished visitor, whom to honor most these dear girls serve best. Long live the Phonographers' Club; may its devotees be the presiding genius of a great commercial house whose lord each one shall rule.

HARD TO EXPLAIN.

It's hard to explain how the public can continue to doubt in the face of such evidence. If this were published anywhere else than in Maysville; if the statement given below went the rounds of the press readers in Boston or New Orleans might doubt it. But it's very different when the testimony given comes from a friend, perhaps a neighbor. It is public expression of a local citizen, and can be easily investigated:

Mr. Larmon Dawson, residing at 934 East Second street, says:

"The quick relief from pain in my back which followed the use of Doan's Kidney Pills proved them to possess remarkable powers. I procured them at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets. From the satisfactory results obtained I can advise all in need of a kidney medicine to give Doan's Pills a trial."

A Scientific Discovery.

Kodol does for the stomach that which it is unable to do for itself, even when but slightly disordered or over-loaded. Kodol supplies the natural juices of digestion and does the work of the stomach, relaxing the nervous tension, while the inflamed muscles of that organ are allowed to rest and heal. Kodol digests what you eat and enables the stomach and digestive organs to transform all food into rich, red blood. J. Jas. Wood & Son.

Dress Stuffs A BARGAIN!

\$2½ to \$5 buys a dress pattern that a fortnight ago would have cost \$5 to \$10. Not to wool Dress Goods are reductions confined—silks have also been sheared of all profit. Never a better time to buy a dress, waist, or skirt. Perhaps some neighbor has availed of this sale—ask her opinion of our January bargains—we know her answer will bring you here.

FURS—One-Half!

The offer can be made in a dozen words. Every fur piece in the store at a reduction of one-half from the marked figures. Owing to the warm fall we marked furs early in December at the lowest prices ever known in the store's history—and from these lowest of low prices we again clip one-half.

Is only a bargain when it is a worth-while article at less than usual price. Last winter's coats would not be cheap to smart dressers at any price.

EVERY WRAP

In our stock is correctly fashioned and was made for the winter of 1902-3. We didn't carry one coat over from last year. We emphasize this point because it is difficult for anyone to grasp the extraordinary values we are giving in the coat department. You think old-fashioned garments are only possible at such prices. Don't waste time over that fallacy when a glance will instantly confirm every detail of our statement.

LESSON IN AMERICAN HISTORY IN PUZZLE

SIGNING THE DECLARATION OF INDEPENDENCE.
Find Thomas Jefferson.

On June 8, 1776, a resolution was offered in the Continental congress at Philadelphia declaring the states free and independent, and a committee of five was named to draw up the declaration. Thomas Jefferson wrote the greater part of the historic document, though Adams did most of the speaking in its favor. The declaration was completed on June 28, the day of the British defeat at Fort Mifflin, and was signed on July 4, 1776.

Why can't we come over to your house and play any more?
Because papa gets so mad when we make a little bit of noise.
What makes him that way?
Mamma says it's dyspepsia makes him act so crazy.

That's about the way it strikes the small boy. The dyspeptic has no idea of his own unreasonable or harshness. Little things are magnified and seem to justify his quick anger. There's health for the dyspeptic and happiness for the family by the use of Doctor Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition, and restores perfect health and strength, by enabling the perfect digestion and assimilation of food.

"I have taken one bottle of Dr. Pierce's Golden Medical Discovery for indigestion and liver complaint," writes Mr. C. M. Wilson, of Yachin College, Davidson Co., N. C. "I have had no bad spells since I commenced taking your medicine—in fact, have not felt like the same man. Before I took the Golden Medical Discovery I could not eat anything without awful distress, but now I can eat anything I wish without having unpleasant feelings."
Dr. Pierce's Pleasant Pellets cleanse and regulate the bowels.

Joseph Schatzmann; china, glass and queensware.

The F. H. Traxel Co.; confectioners and bakers.

The Racket Store, L. H. Young & Co.; everything.

Fred W. Bauer issues votes with all job printing.

The Mayaville Coal Co.; telephone and we will vote for you.

H. H. Collins Lumber Co., successors to Collins & Rudy; the most complete line of building material in Mayaville.

John T. Parker; livery, feed and sale stable.

Model Laundry.

Dr. Leslie Brand went to Paris yesterday afternoon to perform a surgical operation. He returned home this morning.

Lindsay C. Howard of Cincinnati, well known here, has been made night chief and Associated Press operator for the Western Union at Lexington.
